

OVER \$14 MILLION IN REPAIRS UNDERWAY AT CALLAN PARK

Photos: Greater Sydney Parklands

GARRY OWEN SUMMERHOUSE

\$250,000 spent on full interior and exterior heritage restoration including repairs to windows, repointing masonry, new flooring inside, flood lighting and CCTV as well as new electrical and lighting.

GARDENER'S COTTAGE

\$350,000 spent on interior and exterior heritage restoration including repairs to roof, gutters, balcony balustrade and hardwood floors and new kitchen.

WATERFRONT AND BAY RUN

Buildings 505 and 514 have been demolished and waterfront landscaping changes shown above have been approved with conditions. New accessible amenities building will be built and carparking removed from waterfront to Wharf Road.

\$600,000 spent on full fabric restoration of gates to make them operable again.

REPATRIATION WARD B

\$590,000 spent renovating inside and out to prepare Building 497 for future use as a community and sports facility. Additional \$600,000 to be spent bringing building up to building code and accessibility requirements.
